

Side Chair

Medium

Mahogany, mahogany veneer, and ash

Description

One of four. The side chairs feature open shield backs with oval splats interlaced with a forked upright element hung with festoons of drapery that centers a plume of feathers. The seat is upholstered over the rails, and square tapered front legs splay slightly at the feet.

Dimensions

39.5 × 21.25 × 21.5 in. (100.3 × 54 × 54.6 cm)
