

## Sack Back Windsor Arm Chair

### Medium

Maple and ash

### Description

This black painted ash and maple Windsor bow back arm chair features a rounded rail with seven plain turned spindles fitting into a curved medial rail which extends to form arms ending in simple tabs. Four short plain turned spindles run from the medial rail to the oval seat, along with a pair of baluster turned arm supports. The seat rests upon four baluster turned and splayed legs braced with an "H" style, bulbous turned stretcher assembly.
