

Low Back Windsor Arm Chair

Medium

Maple and ash

Description

Known as a low back Windsor, this form features a curved horseshoe shaped crest rail ending in volute-shaped hand rests, seventeen plain turned spindles and two baluster turned arm rest supports. A heavy D-shaped saddle seat rests on four splayed baluster turned legs braced by a bulbous turned H-shaped stretcher assembly. The chair retains an old but not original dark green paint surface.

Dimensions

30 × 25.25 × 21.5 in. (76.2 × 64.1 × 54.6 cm)
