

## Sack Back Windsor Arm Chair

### Medium

Maple and ash

### Description

This chair features a bow back, with seven plain turned spindles passing through a bent medial rail that is through-tenoned into the bow itself. The chair's arm rests end in shaped paddle terminals and are supported by raked baluster turnings. The ovoid saddle seat rests atop four splayed baluster turned legs braced with a bulbous turned "H" shaped stretcher assembly. The chair retains an old dark green finish over an earlier layer of white.
