

## Bowback Windsor Settee

### Medium

Ash, pine and maple

### Description

A small bowback Windsor settee with twenty turned spindles supporting the bent back. Shaped arms are tenoned into the back, and end in scrolled terminals. They are supported by four spindles and a bamboo turned post. Four splayed bamboo turned legs are connected by an H-shaped stretcher assembly consisting of two bulbous turned side stretchers and a bamboo turned medial

stretcher. The settee retains an old brownish-red painted finish.

### Dimensions

35.6 × 41.75 × 21 in. (90.4 × 106 × 53.3 cm)
