

Basic Detail Report

Model of Horse Drawn Mower

Medium

Painted and enameled brass, steel, iron

Description

A finely crafted and detailed patent model or salesman's sample of a horse-drawn field mower. The cast iron body frame is painted red, with black and yellow pinstripe detailing and scrolling; the frame includes a varnished wood singletree, gear box, and cast and molded green

painted iron seat, with "BRADLEY / SYRACUSE" included in design, atop a metal spring strap bracket. Two brass wheels, with yellow painted spokes and red pinstripe detailing have front clutch arm. At left, a long mower bar with individually riveted teeth includes a guide arm assembly, mower bar height adjusting clutch, and hinge assembly allowing mower bar to swing up and rest against wheel for storage. A small brass plaque is nailed to the top of the singletree, stamped "C. M. CLINTON / MODEL MAKER / ITHACA N.Y."

Dimensions

11 × 12 in. (27.9 × 30.5 cm)
