## Plate

### Medium

Tin-glazed earthenware

### Description

A large circular tin-glazed earthenware plate with a deep cavetto and shallow foot rim. The entire plate front is ornamented in steel blue with a central image depicting a bucolic scene of a pair of ducks atop an arched bridge, with a pond or lake in the background surrounded by stylized reeds and water plants. The image is set within an octagonal bordered panel. Around the plate's rim are spaced panels featuring a variety of stylized floral and

foliate motifs. On the plate's rim underside, simple crude dashes within circles alternate with single brief lines.
