

Sucrier with Cover

Medium

Feldspathic stoneware

Description

Sucrier, or sugar bowl, with cover, in paneled ovoid shape. Molded floral chain border along collar. Cartouche on either side of sucrier, of classical figures (A) standing woman by obelisk and (B) mourning woman by flower-draped urn. Molded ring "handle" sprigs on either end of panel. Stylized anthemions along lower third of bowl. Lid has molded floral knob above border of alternating foliate scrolls and paneled crenelations.

Dimensions

Other: 5.63 × 4 × 6 in. (14.3 × 10.2 × 15.2 cm)
