Brooch

Medium

Jet, gold, seed pearls

Description

A woman's brooch, with a smooth-surfaced jet panel set within a gold oval frame. A band of graduated seed pearls in gold ornaments the center of the oval jet panel, while faceted jet chips alternating with gold balls form a frame around the oval. Three pendant jet teardrop panels, set in gold, dangle from the bottom of the brooch. On the back, a simple hinged safety bar pin fastens the pin to the wearer's garment.
