

Parure Set of Brooch and Earrings

Medium

White and brown lava, gold

Description

A woman's parure set, consisting of a large oval brooch and a pair of earrings for pierced ears. Both brooch and earrings feature a carved white lava relief head of a woman in the classical style, with flowing hair and draperies around her shoulders. The lava ovals are set into soft reddish gold frames. The brooch includes a hinged bar pin backing with an open safety loop catch, along with a small wire loop for conversion to a necklace. The earrings hang from long gold wire French style hooks, with small circular brown lava beads on gold pins as dangles.
