

Bonnet

Medium

Silk, silk ribbon, wire, cardboard, buckram

Description

A woman's bonnet of corded black silk over wire, cardboard, and stiffened buckram shaping. The crown portion of the bonnet includes four deep pleats gathered at the nape of the neck, with a 2 1/2" ruffled silk bavolet attached to the bottom of the neck edge. The bonnet's exaggerated deep brim curves back along the bottom corners, and is lined with off-white ivory silk. The bonnet ties under the chin with two 2 1/2" wide black silk ribbons.
