

Woman's Day Gown

Medium

Lightweight wool challis, glazed cotton, cotton lace

Description

A woman's one-piece informal or day gown of finely woven slightly sheer wool challis in a colorful pattern of horizontal stripes alternating with cream colored bands, in a red, blue, green, and yellow floral pattern.. The garment is constructed with an open V neck, front hook and eye closure, dropped shoulders and shaped three-quarter sleeves ending in gathered ruffles. A decorative vertical strip of ruched and gathered fabric is sewn along the front opening. The bodice is lined with off-white glazed cotton, and the waist portion of the bodice is gathered to the waistband. The attached skirt is full, with broad box pleats sewn to the waistband. The gown includes a cotton lace

collar sewn to the neck opening as well as lace undersleeve ruffles sewn to the insides of both sleeves.
