

Man's Wedding Waistcoat

Medium

Silk brocade, glazed cotton twill, brass

Description

A man's waistcoat of ivory silk brocade, with a shawl collar, a curved breast welted pocket and two welted hip pockets at left and right front. The back of the waistcoat and the front lining are constructed of ivory cotton twill with a glazed finish. Two narrow rear waist straps with a brass two-pronged adjustable buckle are sewn into the side seams and allow the wearer to adjust the fit around the waist and back. Small self-covered buttons are sewn down the front of the waistcoat as closures.
