### Description

A woman's work dress, in off white cotton printed with small red, brown, and blue floral vine sprigs. The gown includes a rounded neckline, front opening closed with pins, ruched and piped shoulder seams with slightly dropped arm scyes, gathered upper arm panels, and shaped sleeves ending in slitted wrist hems. The gown has attached waist ties which fasten in front, keeping the gown closed. At the back, the skirts are cartridge pleated and form a slight fullness. The hem is lined with 3 1/2 inch linen facing with the unfinished raw edge inside. An attached bodice lining of off-white linen can be closed with pins to fasten.
