### Medium

Cotton

### Description

A woman's day dress of lightweight woven cotton, printed in reddish orange and black on white in a small geometric repeat. The dress is one piece, constructed with a dropped waist and two pleated skirt tiers. The dress has a deep V neckline with a foldover collar with a whitework embroidered cotton collar edging. The front of the neckline is filled in with whitework embroidered panel, edged with lace along the top edge and including a narrow single vertical ruffle at center front. The panel is tack sewn along the proper right side, with a series of snaps along the left. The sleeves are elbow length and slightly puffed, edged with white lace upturned cuffs.
