## Spectacles

### Medium

Steel, glass

### Description

A pair of steel framed spectacles, with a wide arching nose wire and two ovoid deep blue-tinted glass lenses. A second side pair of blue-tinted ovoid lenses are fitted into steel frames and attached to the side hinges. A pair of fine steel "pivot" or "turn-pin" style wires (known as temples) are attached to the left and right hinges as well.

### Dimensions

4.5 in. (11.4 cm)
