Medium

Bronze

Description

Three-dimensional statue of an aggressive, masculine female figure facing forward. She is holding a ramrod in her hands, her right foot is placed on a bronze cannon, and a water pitcher is leaning against the cannon between her feet. Her face is posed as if she is yelling. Her long hair streams out behind her as if wind blown, as does her skirt, which presses tightly to her lower body. Her sleeveless bodice has slipped off her left shoulder.
