Description

Three-quarter length portrait of a female facing right, with black hair and black eyes seated in a bamboo turned Windsor armchair. With arms folded across her lap, she wears a light blue or gray Empire-waist dress with short sleeves and squared neckline, and a sheer fichu with lace edging. The subject's jewelry consists of gold earrings, gold necklace, gold brooch, a ring set with a stone and small pearls, and two bracelets. She is posed in front of an open window with a landscape scene in the distance. Red drapery with a rope and tassel forms much of the background.
