Description

Architectural rendering of an academic quadrangle with twenty-one square, hip-roofed Greek Revival structures arranged on three sides of an open space landscaped with grass and walkways. A sidewalk in the foreground is accompanied by a fence consisting of posts and chains. Trees can be seen behind the quadrangle. Three figures, a male and two females, stand in one of the walkways right of center, while another couple and a single male walk from right to left on the sidewalk. Two small dogs are running from left to right, also on the sidewalk.
