

Basic Detail Report

Fireback

Primary Maker

Oxford Furnace

Medium

Sand cast iron

Description

A fireback of sand cast iron, with overall blackened finish. The fireback is shield shaped, with straight sides and bottom edge, and a curve crested top edge. Molded into the fireback surface is the Arms of England, with a central quartered shield topped with a triple plumed helmet, a rampant lion at left, and a unicorn at right. Molded below the design is "Oxford / 1746."

Dimensions

34.5 × 34.38 × 1.5 in. (87.6 × 87.3 × 3.8 cm)
