

40.25 × 11 × 11 in. (102.2 × 27.9 × 27.9 cm)

Pair of Show Globes

Primary Maker

Whitall, Tatum & Co.

Medium

Cast metal, colorless glass, and colored water

Description

A pair of drug store show globes that are ovoid in shape. The colorless glass globes fit into tripod-shaped stands with hooved feet along with acanthus-molded legs and tripod arms. The top of each glass is sealed with a cork. A metal collar in a pierced shield and leaf pattern fits over the cork. One globe contains dark blue tinted water, and the other bright yellow.
