

Basic Detail Report

Infant Rattle

Primary Maker

George Unite

Medium

Silver, coral

Description

An infant's combination rattle, whistle, and teether toy in silverplate. The toy includes a small whistle at top, six tiny bells attached to the main spherical portion of the rattle,

and a red coral teething stick fastened in the lower socket portion of the rattle. A sturdy ring is attached to the rattle just below the whistle, for a string or ribbon to hang around a baby's neck or from a cradle or crib.

Dimensions

5.38 × 2 × 2 in. (13.7 × 5.1 × 5.1 cm)
