

Dressing Table

Medium

Cherry and hard pine

Description

The table has a rectangular top with molded edges and ovolu corners. A single shallow drawer below the top features molded front edges and a single central brass pull (the bail is missing). The drawer bottom has been replaced. Front and end skirt panels have small central pendants plus small bracket ends where the skirts meet the corner leg blocks. Leg block edges have been molded. The blocks extend to rounded and tapered turned legs that end in pointed double pad feet.
